3. Class types and activities

Students are strongly recommended to read the text book and Power Point files (written in English) before the classes.

Textbooks, lecture notes, and any other materials are provided in English, and the basic concepts will be explained in English.

This course should be basically conducted in English. However, to participate in this class, English fluency is not important at all. Your passion and interests are necessary.

You can send me an e-mail or discuss with me after the class. You can also visit my office when you need anything. In my classes, please feel free to ask and claim whatever you want.
