### 1. Introduction

Welcome to Contemporary Korea and Korean Law. This course will provide an introduction to Korean law in the context of contemporary Korean society. This course will provide a broad overview of Korean society and law and government.

Proficiency in Korean language or law is not required. I will lecture only in English, and any written or presentation of materials will also be provided in English.

### 2. Course Objectives

The class will teach students about unique facets of Korean law and issues in contemporary Korean society. We will also do some comparative law and international law.
