During the summer vacation, Asia University is home to international students from around the world. Asia University's Summer Program provides a great opportunity to prepare you for that all-important next step--both academically and socially--paving the way for a successful college experience. By balancing challenging academics with a rich menu of educational and social activities, you will have a learning experience that is truly transformative.

### About the Program

Students from around the world are invited to spend two weeks learning on-line with Asia University. After joining the program, you will have the opportunity to learn at one of the most popular programs of Humanities and Social Science. Through the program, you will expand the knowledge and skills in community care practice related course.

### The Program Features

During your two weeks of online study with Asia University, you will attend class for seven hours a day and participate in team-building events. A team of assistants from Asia University will be assigned to accompany you, both to the activities in the program and throughout your whole study, giving you the perfect chance to explore Asia University and Taiwan culture and society. As an international student, you will enjoy a broad range of experience to balance your academic, artistic, physical, and spiritual development. By offering you well-conceived challenges, together with support and encouragement in our exceptional program, you will develop self-confidence and a desire to achieve excellence throughout your life.
