After nomination

- 1) Students will receive an email with the information to start the application after they are nominated. **Please ask your students to check their junk and spam folders** if they don't get the email automatically.
- 2) As an admission requirement, students must upload a scan of their valid passport.
- 3) The admission decision will be sent via email.

Academic Offering

Tecnológico de Monterrey offers **online and on-site programs** with a wide variety of courses in English and Spanish among the following areas:

Medicine and Health Sciences

Humanities and Education

Social Sciences and Government

Business

Engineering and Sciences

Architecture and Design

The course lists for on-site programs is available at: <http://bit.ly/OS-AD2021>.

The course list for online programs is available at <http://bit.ly/VEP-JD2021>.

On-site programs will be available only in Campus Monterrey for 2021. We will notify if this option becomes available in more campus for 2022.

The online program isn't held in a campus which means all students, regardless of the campus they are assigned to, will have the same academic offering.

Credits and Evaluation

The number of credits given by a course is defined by the number of hours a student must spend in the classroom weekly.

- ▶ Class size averages 30 students.
- ▶ Homework is assigned regularly.
- ▶ Evaluation typically considers 2 partial examinations and 1 final.
- ▶ Minimum passing grade of 70/100.

Available programs

Each campus offers a unique experience, and among the offering, all students are able to find a program that suits their profile and fulfills their expectations of our country

Programs are subject to availability due to the current health situation

Migration Process

The migration process is defined by the nationality of the student.

- ★ **Non-restricted nationalities:** Require an FMM (migratory form obtained upon entry to the country), but do not need a visa if the stay is for 180 days or less (semester or summer). To review the list of non-restricted nationalities, [click here](#) (please note the website is in Spanish).
- ★ **Restricted nationalities:** Require a visa that must be issued at any Mexican consulate or embassy, regardless of the time of stay. To review the list of restricted nationalities, [click here](#) (please note the website is in Spanish).

Everyone coming to Mexico for more than 180 days is required to hold a visa.

Health Insurance

For students participating on our on-site programs during 2021, it is mandatory to get the SURA health insurance recommended by Tecnológico de Monterrey. The insurance must be bought before arriving to Mexico in the following page: <https://segurosurastravel.com/en/>. Once bought, students must send a copy of their policy by filling out the following form: <https://form.jotform.com/ProgIntCSC/SegurodegastosmedicosAD21>

Students in online programs are not required to provide a proof of international health insurance since traveling to Mexico is not necessary.

For students participating in the February June 2022 term, SURA is not mandatory, but they must provide proof of a valid international insurance.
