

Social and Cultural Activities

Several full-time student interns will accompany you during your time here in France. They will be your guides to discover Paris (Eiffel Tower, Notre-Dame, Montmartre, Champs-Élysées, Quartier Latin...) and explore its multitude of monuments, shops, museums, bars and restaurants.

Possible activities, at your own expense, include day trips to Versailles Castle, Disneyland Resort Paris, a Seine river cruise, etc.

Accommodation and Board

Students are housed in single-occupancy dorm rooms located near campus. Each room is equipped with its own bathroom, and laundry facilities are available. The on-campus restaurant is open from Monday to Friday.

Cost and Fees

- For students from partner universities (tuition fees waived): **EUR 1,800**
- For students from non partner universities: **EUR 2,500**

If you are not sure whether your university has a partnership with Telecom Ecole de Management, please contact your International Office or e-mail us at international@telecom-em.eu.

Cost includes: classes, field trips, housing, breakfast and lunch (Monday thru Friday).

MANAGING THROUGH TECHNOLOGY

European Summer School in France

June 22 to July 17, 2015

Learn about **Europe** at a leading French Graduate School while experiencing the wonders of **Paris firsthand**

Telecom Ecole de Management is a leading higher education institution in Management, located in the suburbs of Paris. Its European Summer School program is open to students proficient in the English language who have completed their second year of undergraduate studies and wish to learn more about management, information technology, and French culture.

Develop your Understanding of France within Europe

While spending a month studying in France, you will have the opportunity to visit Paris, improve your French and experience French culture firsthand!

Three Programs of Study

Students can choose between three programs that are taught in English by Telecom Ecole de Management faculty members as well as visiting professors from the U.S. and Australia.

Contents

All programs start with a three-day course in French history, politics and culture followed by a three-week specialization in one of the following topics:

- Management: The European Approach
- Information Technology in Europe
- Intercultural Management

Field Trips

Depending on the program you choose, we have organized exciting excursions to Belgium and Switzerland, or to beautiful places in France that are included in the program fees.

French Classes for all Levels

Whether you are a beginner, an intermediate or advanced French speaker, you will have the opportunity to immerse yourself in the French language, while also learning about French customs, cuisine, and the French way of life. Classes are taught in small groups with experienced native-speaking professors.
